

Introducing the

Nature-I-Am @ Lekwena

Kids Adventure Club

KIDS ADVENTURE CLUB

About the club:

Say goodbye to endless hours of digital entertainment and welcome your child to a world of thrilling exploration and boundless fun in nature.

At Nature-I-Am @ Lekwena Kids Adventure Club, we provide a safe haven for inquisitive young minds aged 5-12.

The main purpose of our club is to install a deep appreciation for nature and conservation in your child. We embark on thrilling adventures ranging from insect-catching expeditions to learning essential survival skills in the bush.

With our 3-level badge rewards system, kids stay motivated as they embark on an exciting educational adventure. Each badge represents a completed activity, and by collecting 3 badges, a new level is unlocked!

Join us on this incredible journey and witness your child's curiosity come alive! Let them unleash their wild imaginations and develop a profound connection with the natural world.

Don't miss out on the opportunity! SIGN UP for the Kids Adventure Club today! Unlock a world of adventure, endless learning, and lifelong friendships for your child. Let's create memories that will last a lifetime!

Big 5, tracks & droppings

Roar with excitement as we introduce you to South Africa's Big 5 - the mighty lion, the gentle giant elephant, the stealthy leopard, the sturdy rhino, and the magnificent buffalo.

Learn all about their favorite hangouts, from the lush grasslands to the dense forests, and uncover the clues they leave behind with their tracks and droppings. It's a safari adventure like no other!

But that's just the beginning! We'll also take a closer look at the amazing array of animals at Lekwena. From graceful giraffes, adorable antelopes to mischievous meerkats, there's a whole cast of intriguing creatures waiting to be discovered.

Adventure awaits, young wildlife enthusiasts! Let's embark on an unforgettable expedition together!

Reptiles

Get ready to slither into the fascinating world of reptiles, where we'll uncover the mesmerizing mysteries of color-changing chameleons and reveal which snakes hold the venomous crown.

From the slithering serpents to the scaly wonders, we'll take a closer look at the diverse reptilian residents. Marvel at the fascinating ways they survive in their unique habitats, from the sun-loving lizards to the armored turtles, each with its own extraordinary tale.

It's time to meet the captivating reptiles and embrace the scaly wonders that await us!

Can we BUG you?

Get ready for a bug-tastic experience where you'll embark on a quest to catch a butterfly.

We'll dive deep into the mysteries of these tiny creatures and discover the secrets of the creepy crawlies!

It's time to put on your bug-catching gear and join us on this epic journey of discovery.

Are you ready to catch a butterfly and become an expert on all things creepy and crawly? Let the adventure begin!

Birds

Prepare to spread your wings and soar into the captivating world of birds!

Learn fascinating facts about their unique behaviors, vibrant feathers, and melodious songs. Each bird will dazzle you with its own story.

With binoculars in hand and excitement in the air, we'll venture out to spot these avian treasures in their natural habitats. As we listen to the symphony of chirps and calls, we'll learn how to identify different species and understand their roles in the delicate ecosystem.

So, grab your birding gear and spread your wings and fly high with us!

Plants & Trees

Step into a world filled with lush greenery, vibrant colors, and fascinating foliage. Our expert guides will lead you through a botanical wonderland, where you'll learn about the different types of plants that call Lekwena home.

Discover the secrets of photosynthesis, unravel the mysteries of plant adaptations, and get up close and personal with the incredible diversity of flora. From towering trees to delicate flowers, each plant has a unique story to tell.

So, put on your explorer's hat and join us as we dive into this leafy adventure. Let's explore the enchanting world of plants at Lekwena together!

Weather

Attention all weather enthusiasts! Prepare to be blown away as we dive into the exciting realm of weather. From towering thunderclouds to gentle breezes, we'll explore the wide range of weather conditions that impact our daily lives.

Get ready to unravel the mysteries of weather patterns, atmospheric phenomena, and the forces that shape our daily forecasts.

Let's unlock the mysteries of weather, visit the remarkable Lekwena weather radar, and gain a newfound appreciation for the elements that surround us.

Little Survivor

Get ready to swap screen time for outdoor time as we learn essential and exciting survival skills firsthand!

Our expert guides will teach you safe and factual skills that will prepare you for any wilderness adventure. From building a campfire to learning how to navigate using the stars, you'll acquire the knowledge and confidence to tackle the great outdoors like a true survivor.

Get ready for an epic outdoor adventure that will leave you with memories to last a lifetime.

Are you ready, Little Adventurers?

Enviro Care

Calling all eco-warriors in training! It's time to gear up and learn how to become guardians of our precious planet.

Get ready for an exciting adventure as we discover how to take care of Mother Earth, with a special focus on recycling and turning old tidbits into amazing works of art!

Together, we'll learn how small actions can make a big difference in preserving our planet.

Mystery

What are we doing today? A mystery indeed. A surprise awaits.
